DONATION SLIP
Please Turn Over

Dear Supporter,

To end your financial year with a tax break we are asking you to contribute to build a three rink, Tiger Turf, low maintenance, all-weather, non-abrasive, UV stabilised and soft underfoot bowling-green for all Shepparton Villages' Residents.

Its three rinks will total \$100,000 to \$120,000, including installation and will be situated on the east side of the Tarcoola Village Activities Centre, which may be adapted later, to also be used as a Club House and comfortable observation point for Resident supporters of the bowlers.

This project is planned as a two year enterprise, in the same manner as the recent and successful Bus Appeals and this is where your wonderful donations to the past and successful, new buses appeal will really come into their own. We plan to bus teams of bowlers and bebies of learner bowlers from each Village on a regular basis and maybe we will even get up a tournament, so that team supporters may also join in and barrack for their 'home Village' in friendly competition.

We plan to add outdoor shaded areas and seating at a later date.

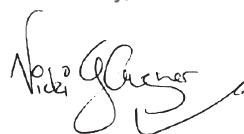

The bowling green will help us achieve our very important goal of keeping Residents fit, healthy and socially interactive.

You have been of great assistance to our past fund-raising and we ask for your ever-generous donation for this worthy cause.

We urge you to help us build the vital, mental and physical well-being of our Residents by detailing your donation and returning it with the attached coupon.

We thank you for all your wonderful support.

Yours truly,

Vicki Glazner
