What Some Volunteers Say

Mavis Euling

"I volunteer because I want to contribute something to the community, and hopefully in a small way help others. I always get great pleasure and enjoyment from volunteering, and over the years have made many friends."

Wally Sinclair

"I do everything but sleep here and get a lot of satisfaction out of it. I have been volunteering for the past 8 years and enjoy every minute of it." Wally volunteers at the Tarcoola Lodges and runs the canteen, calls the bingo, plays the organ, drives the bus and chats with the residents.

Erna Werner

"It's great fun working as a volunteer at Shepparton Villages. I really enjoy meeting with the staff and feeling great satisfaction when I see the results of my labours."

Now retired, I find volunteering gives me a strong sense of self worth and I know that the Residents receive all the benefit in this very special place."

The Value of Volunteers

Diversional Therapist - Peg Newman says"We value our volunteers. Volunteers are a vital link with the community and they provide friendship. They complement the quality of Shepparton Villages' services in many ways sharing their talents, their time and their love."
