of people in our care

Shepparton Villages

Hakea Lodge

Leader of the Team

Gabrielle leads the team of nursing staff and carers at Hakea Lodge and her door is always open to residents and families if they have any questions or concerns.

Our Facility

Hakea Lodge is a 57 bed residential aged care facility. Accommodation at Hakea Lodge consists of single rooms with en-suites. Meals are served in a central dining room.

In addition to three main meals, morning and afternoon tea and supper are provided. Spacious and homely lounge areas are available for use by all residents.

Our facility is set in a picturesque garden setting and this relaxed ambiance flows throughout the residents' home. Hakea residents have secure garden areas in which they can enjoy and spend time outside.

Lifestyle and Leisure

Choice, dignity, respect and privacy is something our staff adhere to every day to ensure our residents have their best day possible.

Our lifestyle and leisure staff are supported by over 190 volunteers who assist in enriching the lives of our residents everyday through multiple activities including outings on our buses.

Caring for our residents is paramount in everything we do.
